Creating a Family Legacy.... Journey over 3 decades & continues...

Since our humble beginnings as a family-run-street cart in 1975, our passion has been to offer fresh food by using quality ingredients. Originally based out of Ahmedabad, our strong customer base has allowed us to open in Thailand and United States.

All preparations are made from scratch daily and dishes are cooked to order. We use the freshest and highest quality ingredients. We refrain to use any food colors or artificial flavourings.

The brand has moved from generation to generation with just the ideology to understand the demand of the customer and relatively alter the products for a better customer satisfaction.
